EFFECTIVE JULY BILLING, 2016 – WATER RATE INCREASE

Dear Members of SECWSC:

The Board of Directors of South Ellis County Supply Water Corporation has approved a water rate increase effective with the July 1st billing.

The Corporation has suffered high water loss due to many leaks caused by old lines. We desperately need to put into motion a new water line upgrade, as well as, replace old valves. Our ongoing problems have created the necessity for this rate increase.

Listed below are the new monthly rate schedules:

Minimum (active or inactive)		at	\$45.00
0001	to 4,000 per thousand gallons	at	\$5.25
4,001	to 8,000 per thousand gallons	at	\$5.50
8,001	to 12,000 per thousand gallons	at	\$5.75
12,001	to 16,000 per thousand gallons	at	\$6.50
	Over 16,000 per thousand gallons	at	\$7.25

We are dedicated to serving you and are working tirelessly to meet your water needs.

Sincerely,

Suzann Hyles
General Manager
