

## **Boil Water Notice Rescinded**

### **April 24, 2020**

On April 22, 2020, the Texas Commission on Environmental Quality required the South Ellis County Water Supply Corp. public water system, 0 7000 43, to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

**Customers served by the Mertens Booster Station which includes services addresses located on Cosby Rd. (south of Lee Rd), Wray Rd., Major Rd., NWCR 4370, HWY 22, FM 308 (south of Milford), Marble Ln and Richland Bend Rd.**

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water **no longer requires** boiling prior to use as of April 24, 2020.

If you have questions concerning this matter, you may contact South Ellis County WSC at 972-483-6885 during regular business hours. After hours call 469-570-5818.

If a customer, individual, or employee wishes to contact TCEQ executive director, please call (512) 239-4691
