

Boil Water Notice

South Ellis County Water Supply Corporation

May 20, 2020

Due to a **water outage**, the Texas Commission on Environmental Quality has required the **South Ellis County WSC, PWS ID 0 7000 43**, public water system to notify all customers to boil their water prior to consumption (e.g., washing hands/face, brushing teeth, drinking, etc). Children, seniors, and persons with weakened immune systems are particularly vulnerable to harmful bacteria, and all customers should follow these directions).

Customers off of FM 308 Well with service addresses (West of I-35) on FM 308, Pluto Rd., Brandi Ln., Cowan Rd., Derrs Chapel Rd., Dale Acres Rd., Shorty Ln., Carolyn Rd., Harvey Rd., Thunder Rd., Sevier Rd. and including customers at 757 Hwy 77, 777 Hwy 77, 5641 FM 308, 5531 FM 308 and 1431 I-35 South.

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and ice making should be boiled and cooled prior to use for drinking water or human consumption purposes. The water should be brought to a vigorous rolling boil and then boiled for two minutes.

In lieu of boiling, individuals may purchase bottled water or obtain water from some other suitable source for drinking water or human consumption purposes.

When it is no longer necessary to boil the water, the public water system officials will notify customers that the water is safe for drinking water or human consumption purposes.

Once the boil water notice is no longer in effect, the public water system will issue a notice to customers that rescinds the boil water notice in a manner similar to this notice.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

If you have questions concerning this matter, you may contact **South Ellis County WSC** at **972-483-6885**.

If a customer, individual, or employee wishes to contact TCEQ, please call (512) 239-4691.
