

## **Boil Water Notice Rescinded**

**May 22, 2020**

On May 20, 2020, the Texas Commission on Environmental Quality required the South Ellis County Water Supply Corp. public water system, 0 7000 43, to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

Customers off of FM 308 Well with service addresses (West of I-35) on FM 308, Pluto Rd., Brandi Ln., Cowan Rd., Derrs Chapel Rd., Dale Acres Rd., Shorty Ln., Carolyn Rd., Harvey Rd., Thunder Rd., Sevier Rd. and including customers at 757 Hwy 77, 777 Hwy 77, 5641 FM 308, 5531 FM 308 and 1431 I-35 South.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water **no longer requires** boiling prior to use as of May 22, 2020.

If you have questions concerning this matter, you may contact South Ellis County WSC at 972-483-6885 during regular business hours. After hours call 469-570-5818.

If a customer, individual, or employee wishes to contact TCEQ executive director, please call (512) 239-4691
