

## **Boil Water Notice Rescinded**

### **September 18, 2020**

On September 15, 2020, the Texas Commission on Environmental Quality required the South Ellis County Water Supply Corp. public water system, 0 7000 43, to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

**Customers served by the 77 Well which includes Service Address's located, Hwy 34, Hamby Rd, Upchurch Rd, College, Seay Rd., Stafford, George Scott Blvd., Hamrock, Arthur, Dale Acres, Mike Rd. Morgan Rd, Joanna Ln, Dilworth, Harris Rd, Rosson Rd, Cosby Rd, Lowell Rd., Hooser Rd., FM 667, White Rock, Dianna Lynn, Schield, NWCR 4420, 4425, 4340 and 4370, Wray Rd., Majors Rd., W. Hwy 22, N 308 (Mertens), Richland Bend, S. FM 308 and Marble Ln.**

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water **no longer requires** boiling prior to use as of September 18, 2020.

If you have questions concerning this matter, you may contact South Ellis County WSC at 972-483-6885 during regular business hours. After hours call 469-570-5818.

If a customer, individual, or employee wishes to contact TCEQ executive director, please call (512) 239-4691
